"REVENGE IS SWEET."

An Alderman Charged with Illegal Vot-
ing in Decatur.
The grand jury, which adjourned for
the term on Thursday, had a long session
with a case of alleged illegal voting
which came up from the fifth ward. The
party accused is the young man, Rob-
ert Ferguson, a Canadian by birth, who
was chosen alderman in the fifth ward at
the city election held on June 21st. He
is charged in the indictment with illegal
voting prior to the city election; but it is
not likely that Ald. Ferguson would have
ever been prosecuted had he been fit to
brush aside the remonstrances of prop-
erty owners in that precinct and voted in
favor of granting liquor licenses to Mr.
Nelson in the Gogarty building, and to
Ole Johnson, near the fifth ward school
house. He voted against each applica-
tion, much to the disgust of Ald. Gogarty
and various other parties in the ward.
Mr. Gogarty tried to get a reconsidera-
tion of the vote, and had a long list of
names presented the council asking that
the licenses be granted, but he failed in
his purpose. The grand jury was the
last resort, and the bitterness and vindic-
tiveness of those who dislike the course
pursued by the junior alderman from the
fifth is visited upon the head of Mr. Fer-
guson.
Ald. Ferguson came to this country
when he was about 9 years old. He is
charged with having voted illegally at the
township election on April 7th. He
always behaved himself a citizen, but at
the solicitation of friends he took out
naturalization papers the day before the
city election, presumably to save possible
trouble. It is known that Mr. Fer-
guson's case, if he has violated the elec-
tion law, was brought to the attention of
the grand jury through a communica-
tion sent in by Ald. Gogarty. His name
appears on the indictment as one of the
principal witnesses.
The Creamery.
The personal effects of the Decatur
Creamery Company were sold at auction
this week to satisfy claims to the amount
of \$500. The entire lot was sold, the
purchaser being Ferguson & Dillehunt,
E. W. Wood and sons. The real estate
with creamery outfit and machinery re-
main as before. A banker holds a mort-
gage on the creamery for \$2,000. He
may foreclose it and have the property
sold to satisfy his claim.
A Jolly Party.
Little Dot and Abbie Durfee, children
of Capt. and Mrs. George S. Durfee, gave
a delightful reception and party to about
eighty of their friends yesterday after-
noon at their home, on North Main street,
after 5 o'clock. The little folks were giv-
ing untrammelled freedom of the drawing
and illuminated grounds until a late
hour, and all were provided with an
abundance of refreshments and many
pretty souvenirs. During the latter part
of the evening some of the children en-
gaged in dancing. Dot and Abbie's party
will long be pleasantly remembered.
It is the custom in other cities to give
the local theatre manager a big benefit
at the close of the amusement season.
Manager Linslee will receive his annual
benefit on June 24th when the great melo-
drama, "The Silver King," will be pre-
sented by 20 people and a carload of ap-
petizing scenery. The hall should and will
be packed from parquette to gallery.
To-morrow evening Rev. Dr. Vossburgh
will preach on "Creation vs. Evolution,"
in reply to some late utterances of Henry
Ward Beecher in Plymouth pulpit on
"Evolution." It's a live question and one
in which all thinking people are inter-
ested.
W. D. BRENNERT, of Torre Haute,
thinks of locating in Decatur to engage
in the manufacture of various articles
used by farmers. He writes L. L. Bur-
rows asking if there is a building vacant
suitable for his enterprise. Mr. Brennert
will probably pay Decatur a visit soon.

against L. V. Oltz, E. O. Smith and W.

Aholtz, so that he does not get \$300, and
has a lot of costs to pay.
Only the jail cases will be tried at the
present term of court. Parties indicted

THE B. B. CLUB.

The energetic managers, Schroll and
Starr, who have engaged in the enterprise
of establishing an enclosed base ball
park, as already stated, have located it in
the Milliken pasture at the west end of
William street, within two blocks of the
street car line. Two-thirds of the high
board fence is now in position, and dur-
ing the coming week most of the work
will be completed. The entrance will be
near the southeast corner, where all visi-
tors can obtain a good view of the field
of four acres. The managers have select-
ed a good home nine, minus a pitcher,
who will be hired to come here from a
professional club in Chicago or some
other city. The players already chosen
are Mr. West, catcher; Ed. Martin, Chas.
Shilling, Lew. Bickes, Payne, Montague,
Conley, Hardie and Tuttle. The pitcher
to come from a distance will make a club
of ten players, so there will be an extra
man to come to the front in case of
an accident. The managers propose to
have one or more exhibition games each
week for the entertainment of lovers of
the sport. The club will meet to-night
to decide upon the style of uniform and
order it made at once.
THE WABASH ROBBERY.
Harwood's Safe Blown Open and \$140
in Silver Taken.
During the stormy part of last night
professional burglars and safe blowers
entered the Wabash freight office, over
which Agent Harwood presides, and by
using powder blew open the heavy door
of the large "burglar proof" safe, and got
away with \$140 in silver. The burglars
selected an entrance to the office through
the door. They simply used a piece of
tin to spring back the snap-lock and
walked in. They were well provided with
tools with which they drilled a hole in
the combination lock and then drilled
two more between the lock and the crank.
The connecting bar was snapped in twain
when by turning the crank the door was
easily opened.
Marshall Mason has taken a survey of
the office and safe, and obtained all the
clues possible, but they are very few.
No one about the depot heard the report
of an explosion, which probably took
place in the midst of the storm, or while
trains were thundering along the track
close by. There have been no arrests.
